

# APAC'S EDUCATIONAL RESOURCE REFERENCE SHEET

## Let's Conquer This School Year!

**Adoption Assistance** (also known as adoption subsidy) provides financial and other supports to help adoptive families meet the basic and unique needs of children in care, tutoring programs, and other services are included in this. Adoption assistance is designed to ensure that children have the best possible chance of finding and thriving in an adoptive family. Contact your nearest APAC office for assistance from our adoption navigators.
